Well can you believe
it only one more day and
we become seniors! We really
had a blast during this year as Juniors
I mean we actually ruled the
school but "what can I say were the
days" and "C'est la vie" will always rule
Have a great summer and try to stay out of
trouble next year I hope!
Love

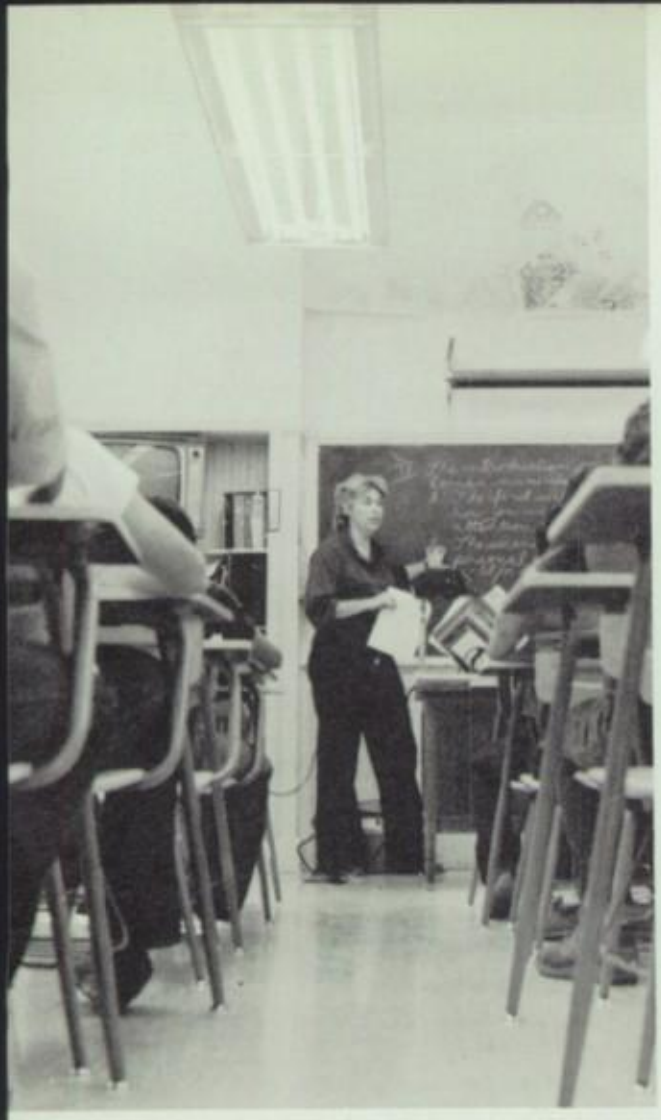
Isn't it strange
That princes and kings,
And clowns that caper
In sawdust rings,
And common people
Like you and me
Are builders for eternity?

Each is given a bag of tools,
A shapeless mass,
A book of rules;
And each must make—
Ere life is flown—
A stumbling block
Or a steppingstone.



DOUG— THIS YEAR HAS BEEN ALOT OF FUN. NEXT YEAR WILL BE BEST 'CAUSE WE ARE GONNA BE "SENIORS" (ALRIGHT) I HOPE I HAVE YOU IN SOME OF MY CLASSES NEXT YEAR TOO. I HAVE A FUN SUMMER. SEE YA AROUND. LOVE— MARY

Dearest Darling Douglass,

Well, Buddy I've finally made it through my first year at good ol' Pierce! And you, you rat you have finished three. We have had so much fun this year, you, Mary, and I. I'll never forget all those great times! Mary crazy, you kept me and you are so smiling all the time. Remember our pizza picture? And that got started from Mary when we went skiing and went to pizza afterwards? Mary stuffed all that pizza in her mouth after the drunkard at the rest of the pizza! I have never laughed so hard Bob Boles I bet we're totally insane! hates us & thinks And then, remember Mary's I'll never forget our trip to Sacramento when we first started talking like Ed Uris and Mama "Would you just go suck a cob?" And then there was our yard skit. That was so much fun! Even if Mary couldn't keep her puttin. Next year is going to be so much fun. We're going to do a whole bunch of skits and we're going to go rollerskating and to Sac. and we can't miss the jazz festival next year. That was a lot of fun. We're gonna do a lot this summer so be ready to have fun in the sun! Love ya!

Doug,
You & Erin are the best friends I have ever had. Wasn't this year fun. We did so many crazy things. We are all crazy and maybe that's why we all get along so well. Next year will be even better. There are so many great memories that I'll remember for the rest of my life. The Pizza dinner, & the Pizza picture at the Prom. You teaching Erin & I how to drive. It was great. Next year we are all going to have to do a lot of snow skiing. I only went 2 times this year, and both times were terrible weather. Now I'm a big soph - one more. and I'm growing up in the world. I can't wait until the Freaters Party. I still want to go out with you know who. Don't ask me why. I will try my best to fix you up with Kelly Robinson. You two would make a cute couple. This Summer is going to be great. We are going to have to party alot. Can't wait until Lake almanor. That is going to be so much fun. well Doug you are a great buddy. I'll always love you.
